Dear Friend,

The end of the year is often a time for connection and reflection—a time when we celebrate with loved ones and plan for the new year ahead. At Family Promise of the Main Line, we dedicate this time to uplifting the families in our community who need our support, especially the Montgomery County families experiencing homelessness.

Montgomery County has one of the highest eviction rates in Pennsylvania and has been growing since 2022. With skyrocketing housing costs and limited affordable housing available, families continue to fall through our social safety net.

But your support made a difference.

In 2023, Family Promise of the Main Line served 24 families through our Emergency Shelter and Graduate Self-Sufficiency programs. Our holistic model supported families as they navigated the uncertainty of homelessness and provided the necessary services to help them build resiliency and self-sufficiency. This would not be possible without the unwavering support of our community.

Family Promise of the Main Line is committed to serving families experiencing homelessness, and **we need your continued support. Would you consider making a donation to support Montgomery County families?**

Like Anne and her family.

Anne lost her job soon after she graduated from our Emergency Shelter program. Without continued support, she and her children might have lost their housing. However, Family Promise of the Main Line provided Anne with financial assistance and case management, helping her find a new job quickly and keep her housing.

Your support makes a real difference for Anne and all the families who come to Family Promise. Please consider a gift using the enclosed envelope or by visiting our website at fpmainline.org. Thank you for your support!

In gratitude,

Anne J. Wright
